

TAHOE PROSPERITY CENTER

# 2026 Tahoe Economic Summit

Thursday, May 7th, 2026 | Tahoe Blue Event Center, Stateline NV

## About The Summit

The Tahoe Economic Summit is the region's premier event for catalyzing action, strengthening collaboration, and accelerating a more resilient and diversified Tahoe Basin economy. This year's Summit will build on the momentum of prior years while introducing a powerful new program structure that moves from macro-level economic insights to bi-state regional collaboration and actionable local solutions.

Our 2026 event will bring together leaders from California and Nevada, entrepreneurs, workforce experts, students, and community partners for a day designed to inspire forward-thinking solutions that advance prosperity while protecting Tahoe's environment and quality of life. With a national-to-local keynote and solution-focused breakout sessions, the Summit provides a unique platform for creative ideas, shared pathways, and meaningful partnerships.

We hope you will sponsor us and join us on **May 7th, 2026**, as we continue building the next chapter of Tahoe's resilient economy.
